One call to your Landstar agent is all it takes to set specialized transportation solutions in motion. Whether you need 100 trucks with 8 axle configurations or 40 trucks with 10-13 axle configurations, our access to equipment is impressive:

- Double drops
- Extendables
- Multi-axles
- Steerables
- Beam Trailers
- Perimeter Trailers
- Blade Trailers
- More than 1,300 Stepdeck Trailers
- Schnabel Trailers
- Stepdecks with Ramps
- Flatbed & Stepdeck Stretch Trailers
- Removable Goosenecks
- 500 5-13 axle RGN units
- Lowboys with 40-80 ton capability

 Landstar has new trailers that are capable of hauling the largest wind turbine blades currently in production.

THE SAFE CHOICE

Landstar's unparalleled commitment to safety makes us the obvious choice when it comes to over-dimensional, super heavy freight. At Landstar, we take pride in delivering the safest, most reliable services available.

Our expansive safety program includes strict operator qualification requirements, dynamic orientation and training initiatives, and extensive customer and public outreach programs. The result is an impressive 99 percent claim-free delivery rate.

EXPERIENCE COUNTS

Landstar is a recognized leader in Specialized and Heavy Haul transportation services. We've been named North America's Largest Heavy and Specialized Transportation Company by *American Cranes & Transport* magazine. Also, *International Cranes & Specialized Transport* magazine ranked Landstar in the top 5 companies in the world.

We've earned *Logistics Management* magazine's Quest for Quality award for over nine years, and countless other awards for safety and service from customers, the National Safety Council, and the Specialized Carriers and Riggers Association (SC&RA). Landstar is a member of the SC&RA and the Railway Industrial Clearance Association (RICA).

UNIQUELY QUALIFIED TO HAUL YOUR HEAVY AND OVERSIZED SHIPMENTS

Uniquely equipped to handle all your specialized transportation needs, Landstar has access to more than 500 pieces of highly specialized equipment, with over 1,300 stepdecks and 1,100 flatbed trailers available throughout North America.

Whether it's hauling one load or managing and executing entire project moves, let a Landstar agent configure the right combination of equipment to move your freight.

LET OUR EXPERIENCE COUNT FOR YOU.
