

LANDSTAR

LESS-THAN-TRUCKLOAD (LTL) SOLUTIONS

When you don't need an entire truck, Landstar will find the less-than-truckload (LTL) solution that is right for you. Unlike traditional LTL companies, we are your single source for all of your capacity needs.

Let Landstar create the most value for your LTL transportation needs by coordinating the optimal capacity to route your freight.

- Ground or air expedite
- Single quote with multiple rates
- Select carrier based on price, transit or preference
- Book directly with carrier
- Centralized pricing & brokerage agreements
- Electronic access to all carriers
- Track and trace

LANDSTAR SUMS UP LTL SERVICES

Personalized Service from a Landstar Agent
+ Easy-to-use TMS System
+ Flexible pricing options

= Landstar LTL Program

Landstar agents have inside access to industry leading LTL capacity providers to deliver on-time, cost-effective, less-than-truckload van and flatbed services across the United States and Canada.

Contact your Landstar agent for details on Landstar's LTL transportation services.
